***Introduction***

1. Appendix I to this document sets out the first estimates for a draft Budget for the financial year 2017, which the Secretariat has prepared for an initial review by the Finance Committee, in accordance with Article 26 of the Regulations.

2. These estimates will be revised, as appropriate, in the light of the Finance Committee's comments, and submitted to the Governing Council at its 95<sup>th</sup> session, which will be held in Rome from 18 to 20 May 2016. On the basis of these first estimates, the Council will establish the draft Budget for 2017, to be communicated to member States, for their review and comments. Thereafter, the draft Budget, together with any comments received by 16 September 2016, will be submitted to the Finance Committee for consideration at its 80<sup>th</sup> session in Rome, to be held in late September or the first half of October 2016. The Committee will, at that time, formulate its opinion on the draft Budget before its submission to the General Assembly for review and adoption at its 75<sup>th</sup> session, to be held in Rome in late November or early December 2016.

## EXPLANATORY NOTES TO THE DRAFT BUDGET - EXPENDITURE

1. Purpose of expenditure: to cover travel and subsistence expenses incurred by the members of the Governing Council and of the Permanent Committee in their attendance of sessions of those bodies; the fees due to the auditor appointed by the General Assembly; the costs of hearings of the Administrative Tribunal, registrar services and sums awarded by the Tribunal for settlement of claims; the costs incurred by UNIDROIT in organising meetings of committees of experts and other meetings associated with the organisation's Work Programme; the travel and subsistence expenses incurred by representatives of UNIDROIT, members of staff and collaborators in connection with the attendance of meetings of other organisations with which UNIDROIT cooperates, as well as missions intended to further awareness of UNIDROIT's work in general and, where appropriate, to encourage accession to the Statute of the Organisation; cover the cost of simultaneous interpretation at meetings held by UNIDROIT; the cost of representation functions, such as receptions and similar events organised by UNIDROIT in connection with its meetings.

The Secretariat proposes an increase of € 30,000.00 in Article 4 (Committees of Experts) of Chapter 1, by reallocating to this line of expenditure savings expected to be made under Article 1 (Salaries of Categories A, B and C staff and consultant) of Chapter 2 (Salaries and allowances) and under Article 1 (Insurance against disablement, old age and sickness) of Chapter 3 (Social security charges) (see notes 2 and 4 below). This sum will be used by the Secretariat to cover meetings costs, as well as cost of commissioning research and studies needed in connection with the implementation of the new Work Programme for the Triennium 2017-2019.

2. **Purpose of expenditure:** to cover the salaries and allowances of the professional, administrative, secretarial and library members of UNIDROIT staff as well remuneration of a consultant.

The Secretariat expects that the costs of salary raises due to regular step-in-grade increments pursuant to the UNIDROIT Regulations will be entirely offset by the cost reductions resulting from departure of long-serving staff members during the year 2016 and recruitment of new staff members at a lower entry level. The Secretariat also intends to keep one part-time position vacant, utilising the resources thus freed for commissioning studies by outside experts.

The Secretariat thus proposes a decrease of € 28.538,00 for 2017.

3. **Purpose of expenditure:** to cover the cost of federal, state and municipal taxes payable by a US citizen appointed to the UNIDROIT Secretariat. These costs will be refunded by the Government of the United States of America, under the terms of a tax reimbursement agreement signed in September 2013.

The first financial year in respect of which taxes were refunded by UNIDROIT was the year 2015. As of the time of this writing, the reimbursement claims had not yet been processed by the Government of the United States of America, the Secretariat has retained for the year 2017 the estimate figure stated in the budget approved for the year 2016.

4. **Purpose of expenditure:** insurance coverage of staff members against disability, old age and sickness. With a few exceptions, all staff members of staff are insured for these purposes with the Italian social security system (INPS).

As a result of staff movements forecasted for 2016, a € 1,462 decrease in expenditure under this article is expected for 2017.

5. **Purpose of expenditure:** insurance coverage of all staff members against accidents. All staff members are insured for this purpose with a private Italian insurance company.

No change is proposed for 2017.

6. **Purpose of expenditure:** payments to one retired member of staff to cover the periods, in the past, during which he was not covered for social security purposes.

No change is proposed for 2017.

7 **Purpose of expenditure:** to cover ordinary running expenses of UNIDROIT (purchase of stationary, telephone charges, postage of materials and correspondence etc.).

No change is proposed for 2017.

8 **Purpose of expenditure:** to cover utilities fees (electricity, water and gas bills), building maintenance costs (insurance, ordinary repairs in the building, maintenance of elevators) and charges for municipal services (i.e. waste disposal).

No change is proposed for 2017.

9 **Purpose of expenditure:** to cover the cost of acquisitions for the Library's stock of books and the maintenance of its subscriptions to law journals, binding of periodicals and subscriptions to electronic journals and databases.

No change is proposed for 2017.

Overall, the Secretariat proposes a total expenditure of € 2,271,870.00 for the year 2017, which equals the expenditure authorised under the 2016 budget.
